Description

Step aboard and experience the ultimate offshore fishing experience with the 2013 Contender 35ST. This 35-foot fishing machine is fully equipped to help you catch the big one.

You'll enjoy your favorite tunes while you're on the water with the Fusion head radio unit, 6-8 inch JBL speakers, and 2 Fusion T-top speakers, delivering high-quality audio experience. The Garmin autopilot and Garmin HD radar provide you with extra safety and peace of mind, ensuring you always know where you are and where you're going.

The boat comes with under water LED lights that change colors and under the gunwale LED lights that are red in color, so you can enjoy the beautiful views both above and below the water's surface.

Powering this beauty are triple Yamaha 300s that provide the power you need to go as far as you want. You can cruise at 4200 RPM with an impressive fuel efficiency of 1.1 mpg, reaching speeds of 46-48 mph. If you're looking for more speed, the boat can hit wide open throttle at 70+ mph, while still delivering a fuel efficiency of .7 mpg at 6000-6100 RPM.

This boat has been meticulously maintained, and it shows in its excellent condition. It's ready for your next fishing trip, so you can catch the big one in style
